Policy Code: IDAD - Career Education

CAREER EDUCATION

The Greenville Public School District (GPSD) board is authorized and empowered to adopt plans for the implementation of a career education program with the understanding that all kinds of work should be part of the existing curriculum as it best suits the needs of the GPSD including primary grades within the framework established by the Mississippi Department of Education and the state coordinator of career education. In so doing, this board shall operate within its regular budget, without the employment of additional personnel and out of any available funds, federal, state, local or private.

Nothing in Miss. Code Sections 37-13-58 to 37-13-60 shall be so construed as to prohibit the acceptance of contributions from the private business sector or cooperation therewith, including but not limited to seminars, tours, lectures and in-service training.
